

### Juror Questionnaire

Thank you for coming to court as a potential juror. Before the case can start, a jury must be selected. The judge and the parties involved in the case need to know something about you in order to seat jurors who can be fair to both sides. The judge has decided to use this form to save time and to give you a chance to tell the court and the lawyers about yourself.

The questions on this form are designed to help the court and the lawyers learn something about your background. There are no right or wrong answers. The questions are asked not to invade your privacy, but to make sure that you can be a fair and impartial juror. If there is any reason that you might not be able to give both sides a fair trial in this case, it is important for you to say so.

If you are called to the jury box, your answers to this questionnaire become a matter of public record, just as if you had answered the questions aloud in the courtroom.
